

Tribute gifts, given in the name of a loved one, are unique expressions of thoughtfulness. The Maurer Foundation offers two types of tribute gifts: honor gifts and memorial gifts.

Your loved one will receive a special acknowledgment card that recognizes the honoree and the donor. No minimum is required for a gift.

The amount of your gift remains confidential. You will receive an acknowledgment that the card has been sent.

The Manner of Giving is
Worth More Than The Gift.

The Maurer Foundation for Breast Health Education is on a mission to stop breast cancer before it starts.

Founded by Dr. Virginia Maurer in 1995, The Maurer Foundation's mission is to save lives.

Through breast health education programs, we champion early detection, risk reduction & healthy lifestyle choices.

Our vital message is delivered through a variety of awareness programs and media promotions customized to reach adults and adolescents.

Our continued goal is to become the recognized leader in the field of breast health education.
