Put A Team Together

Each team can be up to 8 bowlers and each bowler is asked to raise \$100 or more (includes: two games, shoe rental, food/soda and one raffle ticket).

The \$100 per person/bowler can be a single donation or multiple flat donations on your behalf.

Keep in mind your team can be made up of friends, family and/or co-workers and do not have to be "pro" bowlers or have any previous bowling experience.

*Don't forget to come up with a clever team name.
