PRESS RELEASE

“Maurer Foundation Golf Event Infused With a Touch of Style!”

Mineola, NY July 2009, The Maurer Foundation for Breast Health Education is proud to announce that Mitchell/Marshs Specialty Store in Huntington will be the event sponsor for its 14th Annual Golf Classic, being held at the Meadow Brook Club in Jericho.

Last year’s event raised more than \$130,000 to fund breast health education programs that will help save lives. “Marshs is committed to what really matters and this partnership is a solid way for us to thoughtfully demonstrate how much we value our community,” said Chris Mitchell.

Marshs, an upscale men’s and women’s specialty store located at 270 Main Street in Huntington, is known for offering the finest fashions with a renowned brand of customer service. Delighted by the sponsorship announcement, Libby Zimmer, Executive Director of The Maurer Foundation, said "this extraordinary gift represents a commitment to our community by Marshs and the Mitchell family to help all of us stay on the winning side of the battle to conquer breast cancer through early detection.”

If you are interested in playing in the October 6 golf event or learning more about breast health education and awareness, visit www.maurerfoundation.org or contact Kathy Lough at 516-535-5370.

About the Maurer Foundation

The Maurer Foundation founded by local surgeon, Dr. Virginia Maurer, is committed to providing breast health education programs to adults and adolescents. The organizations vital message of early detection, risk reduction and healthy lifestyle choices is delivered through a variety of awareness programs and media promotions. The continued goal of The Maurer Foundation is to become the recognized leader in the field of breast health education. Last year alone, The Maurer Foundation presented life saving information to thousands of individuals.
