

THIS OCTOBER, DURING BREAST CANCER AWARENESS MONTH, WE PRESENTED 112 BREAST HEALTH PROGRAMS REACHING 3422 PEOPLE

REMEMBERING BOARD MEMBER JON N. SANTEMMA

It is with profound sorrow we announce the passing of long-time beloved Board Member Jon N. Santemma on September 25th. **▶ To read more, visit us online at maurerfoundation.org/jon**

MELANOMA'S LINK TO BREAST CANCER: WHAT WE CAN DO

Many people know that tanning and sunburns increase risk for melanoma, a type of cancer (typically of the skin) whose primary cause is ultra-violet light (i.e. sun) exposure. But did you know that an additional risk factor for melanoma is surviving breast cancer? **▶ To learn more, visit us online at maurerfoundation.org/melanoma**

BREAST IMPLANTS LINKED TO RARE FORM OF LYMPHOMA

In March, the FDA reported "women with breast implants have a very low but increased risk of developing ALCL [anaplastic large cell lymphoma] compared to women who do not have breast implants." Learn more from Medical Advisory Council Member and plastic surgeon Dr. Douglas. **▶ Visit us online at maurerfoundation.org/lymphoma**

THANK YOU TO ALL OUR OCTOBER FUNDRAISERS!

Over a dozen companies celebrated Breast Cancer Awareness month and raised almost \$20,000 with fundraising events ranging from special shopping days, to dance and trampoline parties, to Huntington Honda's annual test-drive fundraising event. **▶ To read more, visit us online at maurerfoundation.org/oct17**
